

Internet Access Guide for public area

For University members

Hiroshima Univ. 2017 Version

We provide wireless(Wi-Fi) and Wired-LAN internet connection services at the many public areas in Hiroshima University.

- The posters and logos indicate the locations where you can access the Internet.
- For Hiroshima University members [Staffs&Students], we provide SSID[HU-CUPxx] (Wi-Fi).
- SSID[eduroam] is available, too.
- Carrier Wi-Fi services (docomo/au/Softbank/Wi2)

For more information, you can get the following site.

Information Media Center top page → “HINET WiFi/Guest”

<http://www.media.hiroshima-u.ac.jp/services/hinet/access-point>

◆ Access Procedures [HU-CUPxx] ◆

- Configure your computer for automatic IP address acquisition (DHCP).
